Agenda Zoning Board Adjustment Site Walk and Balloon Test

January 21, 2017

Proposed Cell Tower Site

105 Londonderry Road

ZBA Case # 40-2016 (Lot 1-C-2550)

Balloon Test 9am – 1 pm

Site walk starts at 10:00 am

Weather date January 28, 2017

Due to Road Safety Issues, you are requested to **park along
Brentwood Road.**

The property owner has granted permission to enter the property for the site walk with the following restrictions:

1. Participants park at their own risk and we accept no responsibility for welfare or personal property.
2. The site has uneven and rough terrain. We accept no responsibility for welfare or injury due to slips, trips or falls.

Limited Parking will be available so carpooling is encouraged.

The balloon test cannot be performed if the wind exceeds 10 mph. The balloon will be in the air from approx. 9am until 1pm. Pictures will be taken from different locations.

The Public is invited to attend.

Copies of all Zoning Board materials are available for review at the Windham Community Development Department.
